

5. TIME NAMES OF RESTS EXERCISES

1. Write the rest which has the same time value, for each of these notes.

2. Write out the 5 rests from question 1 in order, from **longest to shortest**, and label them with their names.

3. Write a whole bar rest in the second bar.

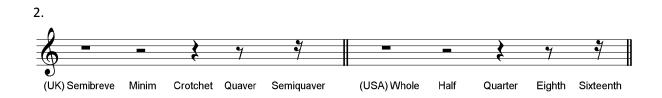

4. How can you tell the difference between a minim (half) and semibreve (whole) rest?

5. TIME NAMES OF RESTS ANSWERS

1.

3. 9: 3 4

4. The minim (half) rest sits on the middle line, the semibreve (whole) hangs from the 2nd line.
